## **PREFACE**

The Sentencing Advisory Commission is pleased to publish an updated User Guide that incorporates changes to the criminal statutes from the 2012 legislative session. The opportunity has also been taken to update the information on sentencing dispositions, the availability of community and institutional alternative sentences and the time served statistics by the Board of Probation and Parole.

In 2012 the statute that defines the functions of the Sentencing Advisory Commission was amended to remove the requirement to establish and publish a system of recommended sentences. The commission is still charged with studying sentencing practices and providing information useful to courts and other practitioners in the criminal justice system in Missouri. Because the User Guide has provided useful information the commission has decided to continue to update the document. In the revised format the list of current charge codes includes the disposition and average sentences data for the last eight years. The commission has also revised the formats of the Probation and Parole's Sentence Assessment Report and the Automated Sentencing and Risk Assessment program (available from the MOSAC website) to provide sentencing statistics that are related to the offense and the level of prior criminal history.

The User Guide has been produced with the assistance of professional staff in Department of Corrections and in the Office of the State Courts Administrator.

Suggestions for topics to be included in future user guides are welcome.

## MISSOURI SENTENCING LAWS

The following references are made to statutes that define either the sentence disposition, the range within which an authorized sentence can be set or the incarceration time. The Revised Missouri Statutes are available online at <http://www.moga.mo.gov/homestatsearch.asp>. Reference can also be made to the Missouri Board of Probation and Parole booklet on Procedures Governing the Granting of Paroles and Conditional Release, <http://www.doc.mo.gov/documents/prob/BlueBook.pdf>.

Authorized dispositions for felony convictions include a term of imprisonment, a fine (if the offense is a Class C or D felony, Section 560.111, RSMo) and a period of probation. In addition, the execution of the sentence may be suspended and the person placed on probation or the imposition of the sentence may be suspended, with or without placing the person on probation (Section 557.011, RSMo).

The Missouri statutes have provisions for enhanced sentencing when an offender is deemed to be a prior and persistent recidivist, and for a minimum prison time when the offender is deemed to be a recidivist or has been convicted of a dangerous felony. Unless specifically excluded by statute, felony convictions can be sentenced to either probation or to a prison sentence (Section 559.012, RSMo). In Missouri, a probation term is often accompanied with a suspended prison sentence. When probation is revoked, the prison sentence can be imposed or the offender can be sentenced under the 120-day statutes.

### Recidivists

The recommended sentence for an offender sentenced as a persistent offender (Section 558.016, RSMo) is the recommended sentence for the same offense group one or two felony class higher than the statutory defined felony class. The same offense group and level of severity applies. If the offense is Class A then the offense severity is increased by one level, unless the offense is High severity.

### Attempt, Accessory or Conspiracy to Commit an Offense (inchoate)

Offenders convicted of the attempt of the offense or conspiracy are sentenced in accordance with Sections 564.011 and 564.016, RSMo. The exception is when the attempt to commit a crime is specified by statute to be sentenced at the same as the commission of the offense. The sentencing recommendations include sentences at one felony class lower than the commitment of the offense for the same offense group and level of severity.

### Sentencing Statutes

#### **Section 558.011, RSMo Authorized terms of imprisonment including conditional release:**

- Felony Class A 10 to 30 years or life

- Felony Class D            Not to exceed 4 years

The probation term for a felony conviction is from one to five years (Section 559.016, ,).

In cases of Class C and D felonies, the court shall have discretion to imprison for a special term not to exceed one year in the county jail or other authorized penal institution. ## SENTENCING ASSESSMENT REPORT

The Sentencing Assessment Report is intended to provide the Court with information regarding risk and related factors necessary in the determination of an appropriate sentencing decision. The report incorporates Sentencing Commission standards in conjunction with an identification of the offender's risk level, based on the nature and severity of the offense, prior criminal history, and other relevant factors. Information is provided in the report to assist the Court in determining the impact of the offense on the victim. The report also provides information to the Court regarding available department programs and resources necessary to support the court's sentencing decision and effectively manage the offender's presenting risk level and factors. In addition, the report provides the Court with parole release eligibility based on the sentence structure and the Sentencing Commission's risk assessment. This report helps the Department of Corrections with assessment, supervision, and management of the offender.

The probation and parole officer compiles the information for the Sentencing Assessment Report via a guided interview with the offender and an investigative process. The format for the report consists of the Offender Identifying Information; a Risk Assessment Summary (present offense information, criminal history, victim impact, and offender assets and liabilities assessment including when applicable: sexual history and Static-99R); the Offender Management Recommendations (supervision plan, community strategies, institutional strategies, and re-entry/transitional planning); and Conclusion (evaluation and recommendation based on Sentencing Commission standards, parole release eligibility and average time served for offenders with similar risk in the previous two fiscal years).

The itemized offender risk score will also be listed.

The Sentencing Assessment Report (SAR) provides valuable information to the Court for its consideration in the sentence decision-making process, in terms of identifying key offender risk indicators, incorporating Sentence Commission standards, and outlining available department resources and strategies necessary to support the Court's sentencing decision.

## **II. Risk Assessment**

### **A. Present Offense Information**

Offense Summary: On 08/23/06 Det. Miller and PO Kelly were assigned to conduct pro-active investigations involving predators of children on the Internet. PO Kelly logged into an Internet chat server and assumed the screen name of 'tammyspringfield'. This screen name and the profile were set up by Det. Miller on a previous date. The name on the profile is Tammy Sims. On 08/23/06 PO Kelly entered the chat room through the regional link and selected a chat room from the list of approximately 20 different Springfield, MO rooms available. While in the chat room PO Kelly would remain inactive. In the chat room PO Kelly would receive several IM's (instant messages) from other chat room participants. On this date at 1632 hours Det. Miller received an instant message from chat room participant '65800homeboi', introducing himself. 65800homeboi later identified himself as Aaron and Det. Miller told him his name was Tammy. Aaron was later positively identified as Aaron Holt.

Between 08/23/06 and April 2007 police chatted online with Aaron Holt. He knew the person he chatted with was 14 years of age. Holt solicited the officer online to engage in sexual conduct and arranged to meet in a park or get a hotel room. He was apprehended at the designated meeting place in Meador Park and confessed.

Holt was arrested on 04/25/07 at Meador Park on 2600 South Fremont Avenue and he agreed to speak with police after he was advised of his Miranda Rights. Holt told police he was single and lived with his parents in a Greene County home. Holt said he was enrolled in graphic design classes at Battlefield Technical College. He said he did not have any children and he was employed by Harmon Printing. Holt stated he began chatting with what he believed to be a 14-year-old female utilizing the screen name 'Tammyspringfield' in August 2006. He said he kind of lost contact with 'Tammy' until recently. Holt advised he had recently began talking to 'Tammy' again and the two agreed to meet at Meador Park (located within the city limits of Springfield). He told police it was his intention to pick up 'Tammy', take her to dinner, hang out for a while and then take her to a hotel to have sex with her. Holt said he planned on performing oral sex on 'Tammy' and requesting that she perform oral sex on him. He apologized for his actions. Holt told police he has met women on the Internet before. However, they were all older than him. He stated

he mainly used the 65800homeboi screen name to log into chat rooms and attempt to pick up women.

During the course of the interview, Holt told police he liked the 'look of a young girl'. When asked to elaborate, he said he likes the fresh innocent look of younger girls. He was then asked if the computer he uses contained any images of child pornography and Holt stated he did not think there were any images like that on his computer. He consented to a search of his computer and two thumb drives.

Offender's Version: Other than to say the present offense involved a 'Sting Operation', Holt elected not to make any other statements to this officer, regarding his involvement in the present offense.

Co-Defendants: NONE

## **B. Criminal History**

Holt has no prior felony or misdemeanor convictions.

## **C. Victim Impact**

Victim Name(s): State of Missouri

Does Victim Want to Testify at Sentencing: N/A

Victim Impact: Since the victim is the State of Missouri, no Victim Impact Statement is required.

## **D. Offender Asset and Liability Assessment**

Risk Assets: Holt has three or less prior unrelated misdemeanor findings of guilt, no prior unrelated felony findings of guilt and no prior prison incarcerations. He has 5

years without findings of guilt or incarceration, no revocations of probation and parole and the present offense is not recidivist-related. Holt completed college. He has no prior escape and no history of substance abuse.

Holt reported he graduated from South Springfield High School in 1997 and he experienced no significant learning or behavior problems in school. His father mentioned Holt was a 'little bit rebellious in grade school'. However, he grew out of it when he went to high school. Holt reported he later earned an Associate Degree in Graphic Communications from Springfield Community College in 2000 and he earned a Bachelors Degree in Studio Art/Graphic Design from Battlefield Technical College in 2005. This information was not verified, but corroborated by Holt's father.

Regarding substance abuse, Holt denied any type of illegal drug usage or problematic alcohol consumption and this officer received no information to the contrary. He described himself as a 'social drinker'. According to information obtained from the Department's substance abuse screening instrument (SACA), Holt's Substance Abuse Needs Score is 1, which indicates No Apparent Substance Dependence or Abuse.

Risk Liabilities: Holt is 29 years old and he is unemployed.

Holt's last reported period of employment was as a web designer for Southend Media from July 2007 to February 2008. He disclosed he lost this job, due to trial appearances and subsequent confinement for the present charge. Holt reported he was working for Harmon Printing as a graphic/web designer when he was arrested for the present offense. He stated he had worked for the above company for over three years (October 2004 to March 2007). Holt's longest reported period of employment was as a graphic designer for Image Graphics and Printing from November 1999 to March 2003, and this job ended when the business closed. It should be mentioned Holt disclosed he filed for bankruptcy in late 2003. In his line of work, access to a computer is essential. This is cause for concern, since the present offense involved a computer.

Other Assessment Factors: Holt is the product of an intact family and the oldest of 5 children born to his parents, Helen and Stephen Holt. Reportedly, his mother is employed as a nurse practitioner for Kings Avenue Medical Clinic, and his father is employed as a draftsman for Martin Metal Works. According to Holt, he had a 'normal' childhood. He related no other family member has had contact with criminal authorities and his family

history is negative for substance abuse. This officer spoke with Mr. Holt and he believes his son's need for 'affection' perhaps enticed him into this situation. Mr. Holt explained further that his son only has 3 or 4 close friends and none of them are female. He also expressed dissatisfaction with the police, who he feels 'overstepped their bounds'. Holt is single and he has no children.

Medically speaking, Holt denied any physical limitations, disabilities or mental health issues. He stated he is in good health and he takes no prescription medications. This information was corroborated by his father. Holt also denied being subjected to any type of physical, emotional or sexual abuse.

#### Sexual History:

When interviewed about any prior deviant sexual behavior, Holt admitted he has chatted on line with another underage female. In this case he chatted on line for two months with a 13-year-old female. After the two months of chatting online he arranged a meeting with her. According to Holt he got scared and did not meet her and has not chatted with her since. He indicated his intent was to have sexual intercourse with her. Holt admits he is "sexually attracted" to young females. He enticed the present victim by pretending to be 16 years of age. During our interview, Holt did not place any blame on the victim and does not minimize his responsibility and the possible impact to the victims. He admits to using pornography on a regular basis, but denies using child pornography. Holt denies he has ever had or sought treatment for his sexual deviance but is willing to attend sex offender treatment and adhere to the special conditions required for sex offender supervision.

The Static 99R is an instrument designed to assist in the prediction of sexual and violent recidivism for sexual offenders. It consists of 10 items and produces estimates of future risk based upon the number of risk factors present in any one individual. Holt scored 2 on this risk assessment instrument. Based upon the Static 99R score, this places Holt in the Moderate-Low risk category relative to other adult male sex offenders.

Based on a review of other risk factors in this case, this officer believes the Static 99R score fairly represents Holt's risk at this time. The other risk factors considered

that lead this officer to this conclusion were the following: intimacy deficits and opportunities for victim access through the Internet.

### **III. Offender Management Recommendations**

#### **Supervision Plan:**

Home: Lauren and Michael Holt (parents)  
1223 S Glenn Ave  
Springfield, MO 65802  
Phone 417/555-1212

If placed on probation, Holt indicated he would reside with his parents and 18 year old brother at the above location. An Internet check revealed this residence meets the distance requirements for daycares, recreational areas, etc. In addition, there were no matching offenders within 1,000 feet of this residence.

Employment: UNEMPLOYED

Community Strategies: Should the Court decide to place Holt on probation, the following are recommended Special Conditions: 1) Access to computers restricted to his employment; 2) Comply with Sex Offender Supervision Agreement; 3) Supervise on Sex Offender Caseload; and 4) Victim Impact Panel

Institutional Strategies: Incarceration (ineligible for Sex Offender Assessment Unit-SOAU)

The sentence data is from the Department of Corrections and include new felony sentences from FY07 to FY12. Offenders sentenced to multiple offenses at the same sentencing are counted only once for the most serious offense. Probation includes SIS and SES and diversion (drug, DWI and mental health courts when the DOC provided supervision). Average sentences are calculated for prison commitments, they do not include sentences of offenders sentenced under 559.115 or to SES probation. Time served data includes the guideline percent of sentence (GL) and the actual time served. See Appendix E for more details.

## Appendix A

### Authorizing Statute: Section 558.019, RSMo

6. (1) A sentencing advisory commission is hereby created to consist of eleven members. One member shall be appointed by the speaker of the house. One member shall be appointed by the president pro tem of the senate. One member shall be the director of the department of corrections. Six members shall be appointed by and serve at the pleasure of the governor from among the following: the public defender commission; private citizens; a private member of the Missouri Bar; the board of probation and parole; and a prosecutor. Two members shall be appointed by the supreme court, one from a metropolitan area and one from a rural area. All members shall be appointed to a four-year term. All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar crimes and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(4) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

(5) The members of the commission shall not receive compensation for their duties on the commission, but shall be reimbursed for actual and necessary expenses incurred in the performance of these duties and for which they are not reimbursed by reason of their other paid positions.

(6) The circuit and associate circuit courts of this state, the office of the state courts administrator, the department of public safety, and the department of corrections shall cooperate with the commission by providing information or access to information needed by the commission. The office of the state courts administrator will provide needed staffing resources.

7. Courts shall retain discretion to lower or exceed the sentence recommended by the commission as otherwise allowable by law, and to order restorative justice methods, when applicable.

8. If the imposition or execution of a sentence is suspended, the court may order any or all of the following restorative justice methods, or any other method that the court finds just or appropriate:

- (1) Restitution to any victim or a statutorily created fund for costs incurred as a result of the offender's actions;
- (2) Offender treatment programs;
- (3) Mandatory community service;
- (4) Work release programs in local facilities; and
- (5) Community-based residential and nonresidential programs.

9. The provisions of this section shall apply only to offenses occurring on or after August 28, 2003.

10. Pursuant to subdivision (1) of subsection 8 of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565. Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a defendant to make payment.

12. A defendant who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

13. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state.

## Definitions of the Risk Factors

**Related Findings of Guilt** - Concurrent or consecutive sentences disposed of by the same court on the same date count as one finding of guilt and are considered as "related."

**Unrelated Findings of Guilt** - Any number of cases or offenses disposed of on different dates and/or in different courts.

### 1. **Prior Unrelated Misdemeanor/Ordinance Findings of Guilt**

- a. All adult misdemeanor SIS/SES probations.
- b. All adult misdemeanor jail sentences of 30 days or more.
- c. Any ordinance probations with a suspended jail sentence of 30 days or more.
- d. Any ordinance violation jail sentences of 30 days or more.
- e. Deferred prosecution offenses are excluded.

### 2. **Prior Unrelated Felony Findings of Guilt**

All adult felony SIS and SES probations and any other felony sentences identified at the time the report is completed. Excluded are: the present offense(s), periods of confinement without a new sentence and deferred prosecutions.

### 3. **Prior Prison Incarcerations**

- a. Any prior adult commitment to a state or federal prison.
- b. An incarceration to a 120 day program, Post Conviction Drug Treatment Program, or court placement in the Long Term Drug Program will count as an incarceration even if the client successfully completed the program, was released to probation supervision and completed the term.
- c. An incarceration includes all consecutive and concurrent sentences that were served in the same incarceration. An additional sentence received during an incarceration without an intervening release does not count as a new incarceration.
- d. A re-incarceration on the same offense without a new sentence does not count as a new incarceration.
- e. An incarceration from which the client has not been released at the time of the SAR investigation does not count as a prior incarceration.
- f. Mental health commitments are not considered as incarcerations.
- g. Imposed military sanctions do not count unless they were prosecuted under federal or state law.

### 4. **Five Years Without Finding of Guilt or Incarceration**

Any applicable findings of guilt or incarcerations (as defined and scored in items #1, #2, and/or #3) in the five year period prior to the time the report is completed. For findings of guilt, the date of the disposition is used for consideration. However, for incarcerations, the date of release from confinement is used, regardless of when the finding of guilt occurred.

### 5. **Revocations of Probation and Parole**

- a. Revocation of any adult misdemeanor or felony probation (including SIS to SES probation revocations).

- b. Any ordinance probation revocations with jail sentence of 30 days or more.
- c. Revocation of any adult parole term.

**6. Recidivist-Related Offense**

The present offense OR an unexpired sentence the client is still serving at the time the SAR is completed (i.e., an SIS or SES probation, parole or prison term), must be one of the following offenses: Burglary 1<sup>st</sup> / 2<sup>nd</sup>, Robbery 1<sup>st</sup> / 2<sup>nd</sup>, Pharmacy Robbery, Stealing a Motor Vehicle, Tampering with a Motor Vehicle. **9. Substance Abuse**

- a. The existence of a substance abuse problem is determined through review and consideration of all available collateral information: Substance Abuse Classification Analysis score (SACA), criminal history, treatment history, file material or other evidence of substance abusing behavior.
- b. A SACA is completed at the time of the Sentencing Assessment Report if one has not been completed within the last 12 months.
- c. If more than one SACA exists for a client, the last assessment will be used to score the variable.
- d. A violation or a new sentence for drug or alcohol related activity subsequent to the last SACA will indicate a substance abuse problem regardless of the SACA score.
- e. Substance abuse is scoring 3 to 5 on the SACA scale.

**10. Education**

Educational attainment at the time the report is prepared.

**11. Employment**

Employment status at the time of commission of the offense, unless the offender gains employment prior to sentencing. Full time employment is 35 hours or more per week. Homemakers, retirees, seasonal employees and disabled persons are classified as part time.

## **Definitions of the Static 99R Risk Factors**

### **Index offense**

The Index offense is generally the most recent sexual offense. It could be a charge, arrest, findings of guilt, or rule violation. Sometimes Index offenses include multiple counts, multiple victims, and numerous crimes perpetrated at different times because the offender may not have been detected and apprehended. Some offenders are apprehended after a spree of offending. If this results in a single finding of guilt regardless of the number of counts, all counts are considered part of the Index offense. Findings of guilt for sexual offenses that are subsequently overturned on appeal can count as the Index offense. Charges for sexual offenses can count as the Index Offense, even if the offender is later acquitted.

### **1. Young**

The age of the offender at the estimated time of release or, if not known, at the time of the assessment.

### **2. Ever Lived With**

Any intimate adult relationship of two years or more.

### **3. Index non-sexual violence - Any Convictions**

Finding of guilt for a non-sexual violent offense at the same sentencing of the current sexual offense.

### **4. Prior non-sexual violence - Any Convictions**

Finding of guilt for a non-sexual violent offense prior to the current sexual offense.

### **5. Prior Sex Offenses**

Count of offender's prior sex offenses. From the offender's official criminal record, charges and convictions are summed separately.

- Charges – Number of charges that are not proceeded with or which do not result in a finding of guilt are counted along with charges that result in a conviction for a sexual offense.
- Convictions – Number of findings of guilt of a sexual offense including multiple findings of guilt sentenced in the same court and on the same day.

Whichever column, charges or convictions, gives the offender the “higher” final score is the column that determines the final score for prior sexual offenses.

**6. Prior sentencing dates (excluding index)**

A count of the offender's separate sentencing dates. The number of prior sentencing for any new offense that result in a period of incarceration or community service, including juvenile offenses, that resulted in a finding of guilt. Revocations of supervision are excluded.

**7. Any convictions for non-contact sex offenses**

Any findings of guilt for a non-contact sexual offense such as pornography or obscenity.

**8. Any Unrelated Victims**

Any sexual offense when the victim was outside of the offender's immediate family.

**9. Any Stranger Victims**

Any sexual offense when the victims were strangers to the offender at the time of the offense. A victim is considered a stranger if the victim did not know the offender less than 24 hours before the offense.

**10. Any Male Victims**

Any sexual offense when any of the victims was a non-consenting adult male or a male child.

**Translating Static-99R scores into risk factors**

### Board of Probation and Parole Guideline Matrices and Time Served

Notes:

The guideline matrices show the guideline for prison time in months.

The Board of Probation and Parole introduced separate guidelines for male and female offenders with Drug and Non-Violent offenses in March 2006.

Min. is the minimum of the guideline range and Max. is the maximum of the guideline range. For offenders with a Poor risk (the highest risk) the maximum of the range is the conditional release date. For sentences under 10 years, the conditional release date is two-thirds of the sentence. For sentences from 10 to 15 years, the conditional release date is three years before sentence completion and for sentences over 15 years, the conditional release date is five years before sentence completion.

The Board of Probation and Parole's **Excellent** risk category is equivalent to the Sentencing Commission's **Good** risk category.

**Notes:**

The statistics on expected time served assume an equivalence between the SAR offender risk score and the Board of Probation and Parole's salient factor score. The Court's **Good** category is equivalent to the Board's **Excellent** category. The Board of Probation and Parole introduced in FY06 separate guidelines for male and female offenders with non-violent and drug offenses. Not all offenders released in FY12-FY13 were scored on the new scale.

\*DWI AB offenders in this category have been convicted of DWI chronic offender and are required to serve a minimum of 2 years.

## Appendix F

### Statutory Restrictions That Affect Sentencing

This note was initially prepared for the assistance of Probation and Parole Officers when completing Sentencing Assessment Reports. The information contained in the note is incorporated into the charge code listing and, if statutory restrictions affect the disposition or time served, the override sentence is shown. The note includes only active charge codes, including those created for the 2012 legislative session.

#### 1. General Principles

Unless specifically excluded by statute, probation is allowed for all felony sentences. Unless specifically included by statute the prohibition of probation or a Section 559.115, RSMo program does not apply to a finding of guilt of the attempt of the offense. If the offense description includes the ‘attempt’, as in attempted forcible rape then the exclusion applies when the offender has been sentenced for the attempt, but not when sentenced as an accessory or for conspiracy. The date of commission of the offense normally determines whether statutory restrictions apply.

#### 2. Statutory Prohibition of Probation

The first group prohibits probation because of the offense. The remaining offenses exclude probation for prior or persistent offenders. The definition of a prior and persistent offender for these prohibitions is, with the exception of weapons offenses, the repeat conviction/finding of guilt for a similar offense. Weapons offense prohibitions use the definition in Section 558.016, RSMo, which is ‘any repeat felony conviction’.

Most of the offenses that have a sentencing prohibition have a specific charge code and this makes the identification easier. However, drug offenses do not have specific charge codes and a court statement that the offender has been sentenced as a prior or persistent drug offender is necessary.

- An offender sentenced for Drug Sales/Distribution prior/persistent (32463) can be sentenced to probation unless the court/prosecutor records state that the offender is sentenced as a **persistent drug offender**. If the offender is a persistent drug offender then the minimum authorized sentence is 10 years in prison and no probation or parole for 10 years.
- Drug Trafficking 1<sup>st</sup> and 2<sup>nd</sup> when sentenced as Class A felony prohibit probation or parole only if the offender is a **prior or persistent drug offender**. The court/prosecutor records have to state that the offender is sentenced as a prior or persistent drug offender.

If the prohibition of probation is from 6 months to two years then an offender is eligible for the long term drug program provided the other program eligibility criteria are met. If the prohibition is 60 days then the offender is eligible for probation (CSS) if the 60 days are served in jail or for a Section 559.115, RSMo program.

### 3. Statutory Prohibition to Shock or Treatment

The offenses that are ineligible for a 120 day program (Section 559.115.8, RSMo) are listed below with the minimum authorized sentence. As the long term drug program only accepts nonviolent offenders an offender sentenced as a persistent domestic assault offender (13026) or as a prior domestic offender with violence (13018) cannot be sentenced to a long term drug sentence because of the offense or to a 120 day program because of the probation restriction (6 months).

Persistent and predatory sex offenders include offenders with convictions for forcible rape, forcible sodomy, statutory rape, statutory sodomy, child molestation 1<sup>st</sup> (A Felony or B felony committed before August 28, 2005) or sexual abuse, Class B (22021). A persistent sex offender will also be ineligible because of the present sex offense. A predatory sex offender with a present offense of sexual abuse, however, would not be ineligible because of the present offense. An offender convicted of sexual abuse would be ineligible for a Section 559.115, RSMo program only if court or prosecutor records state that the offender is a predatory sex offender. The statute defining a sex predator (558.018) does not exclude probation, only parole.

#### **4. Eligibility and Other Sentencing Conditions:**

##### Minimum Prison Term (MPT)

An offender with a minimum prison term of 40%, 50%, 80% or sentenced as a dangerous felon (85%) for an offense not listed above is eligible for a Shock or Treatment program if they meet the program criteria, including the offense criteria.

##### Other Less Serious Offenses

An offender may be eligible for probation or shock/treatment on the most serious offense but not on a lesser offense. For example, an offender with convictions for armed criminal action and Drug Trafficking 1<sup>st</sup> (class A) would be eligible for 559.115 on the drug sentence but not on the armed criminal action conviction. Offenders may be sentenced to concurrent prison and 559.115 sentences.

##### Committed, Persistent or Attempt

The authorized sentencing range is changed when the offender is sentenced for the attempt of the offense or as a prior and persistent offender under Section 558.016, RSMo. The sentencing disposition and average sentence in the charge code list are calculated for offenders sentenced for the commitment of the offense. The summary of disposition and average prison sentences by offense group and felony class can be used to advise on sentencing practice for similar offenses with a felony class one class higher or one class higher.

##### Prior or Persistent Domestic Violence Offender (565.063, RSMo), Prior or Persistent Drug Offender (195.275, RSMo), Persistent or Predator Sex Offender (558.018, RSMo) and Missouri Charge Codes

While there are Missouri Charge codes for offenses with special sentencing requirements for these Prior, Persistent, or Predator offenders, sometimes the sentencing requirements (increased felony class or probation/parole restrictions) are enhancements to the charge code
